

RESEARCHERS WANTED

Are you in need
of money to
complete a
research or
healthcare quality
improvement
project?

APPLY TODAY!!

The Indiana Nurses Foundation is awarding up to two (2) \$2,500 grants to support ongoing healthcare quality and safety improvement projects and/or research conducted by Registered Nurses in the state of Indiana. Applications can be found at IndianaNurses.org; search “application” or click on the 2020 INF Award/Fundraising Luncheon event page.

Eligibility:

- Any registered nurse who practices in the State of Indiana.
- Members of ISNA are given preference.
- Projects may be quantitative or qualitative.
- Project must have a sponsoring institution identified to which to submit the grant money, if awarded.
- Applications that are not prepared according to the guidelines will not be reviewed and will not be returned.
